What we are learning:

Math: I can solve two-step word problems and represent these problems using equations.

Science: I can plan and carry out investigations to describe properties (color, texture, capacity to retain water, and ability to support growth of plants) of soils and soil types (sand, clay, loam).

ELA: I can recount stories including identifying the central message, lesson or moral in a folktale, fable and myth.

I can identify regular and irregular verb-tenses.
I can write to inform.

Social Studies: I can explain and describe the obstacles explorers had when travelling to the New World.
